

Andrew Lloyd Webber's *Love Never Dies*

“*Love Never Dies*, the new musical from Andrew Lloyd Webber continues the story of the most successful musical of all time – *The Phantom of the Opera*.

The year is 1907. It is ten years after the Phantom’s mysterious disappearance from the Paris Opera House and he has escaped to a new life in New York where he lives amongst the screaming joy rides and freak shows of Coney Island.

In this electrically-charged world, he has finally found a place for his music to soar. All that is missing is his love – Christine Daae.

In a final bid to win back her love, the Phantom lures Christine to the glittering world of Coney Island with her husband Raoul, and their young son Gustav . . . unaware of what is in store for them.

Love Never Dies promises to be one of the grandest musicals ever to grace a Sydney stage, and will look truly at home in the exquisite Capitol Theatre.”
